

**NW BICESTER ECO TOWN
EMPLOYMENT REGISTRATION FORM**

Interested in working on the first eco-town in the UK?

Delivering the ground-breaking NW Bicester eco-development in Bicester will require a large and diverse team of people from all kinds of professional backgrounds and with a multitude of different skills. Work on the first Exemplar phase commenced in April 2014 with employment and training opportunities continuing throughout the first phase and beyond.

At NW Bicester, we are committed to creating local jobs for local people. These include construction related opportunities for: bricklayers, carpenters, plumbers, electricians, landscapers, painters and decorators, dry-liners, site engineers and roofers etc. as well as opportunities in driving, site-security and admin.

If you don't feel you currently have the experience required to access these job opportunities, but you would like to learn a trade and be a part of this exciting development, why not consider applying for one of the apprenticeships and training positions that will be running for the duration of the project?

By registering your details they will be kept on file and you will become part of a pool of local labour that both contractors now and in the future working on NW Bicester can call upon when opportunities arise.

Title: Mr / Mrs / Ms / Miss / Other, please specify: _____
