

## Job & Training Opportunities

**Onsite Jobs**– Between 140 and 160 people are expected to be required during the construction of phase one, with employment and training opportunities continuing throughout the whole Exemplar phase and beyond.

We are committed to ensuring a minimum of **20% of these jobs are occupied by local people.**

**Work experience opportunities of up to 2 weeks** – experience ‘site life’ from a hands-on perspective. Fully supervised and shadowing build managers for 25 – 30hrs per week. Individuals will not require a CSCS card - these are unpaid positions.

**Work placements opportunities of up to 6 months** - for people undertaking qualifications and looking to gain on-site experience. Individuals must have relevant qualifications in their chosen trade and be able to work un-supervised. Individuals will require a CSCS card - these are paid positions.

**Work taster sessions** to enable individuals to find out more about the role of each trade on-site through demonstrations and questions and answers with sub-contractors before considering applying for work experience opportunities or making decisions about their education/qualifications.
