

Who we're looking for

We are committed to creating local jobs for local people.

Delivering the ground-breaking NW Bicester eco-development will require a **large and diverse team** of people from all kinds of professional backgrounds and with a **multitude of different skills**.

Whether you are:

- a skilled labourer looking for local work opportunities
- currently completing a qualification that requires onsite work experience
- currently out of work, or;
- looking to learn a new trade

There are a range of employment and training types available.
